DISCUSSING WORLD REACTION to President Richard M. Nixon's recent decision to continue a modified anti-ballistic missile system are (from left), Ronald S. Payne, chief diplomatic correspondent for London's Sunday Telegram; Lloyd J. Cobb, president of the International Trade Mart; Simo P. Nortamo, Sunday edition editor of Helsingin Sanomat, Helsinki, Finland, and Basil Russovich, vice president of the ITM. The journalists, on a White House-sponsored tour of the United States, were honored at a press reception at the Plimsoll Club Friday.
